

Waiver for students under 18 studying on adult courses

Students under 18 years old are minors in UK law. Your child is studying on an adult course (16+) and will not be supervised at break times, after school and on evening activities.

You need to sign the following waiver and return it to Southbourne School of English consenting to your child not being supervised at the times stated above. The waiver also consents to transport, weekend trips and emergency medical treatment.

Transport

I consent to my child travelling by any form of public transport and or in a coach hired or owned by Southbourne School of English with a driver that is authorised by law and insured to drive.

Medical treatment

I consent to my child receiving medication as necessary and any dental or medical and surgical treatment, general or local anaesthetic, surgery or blood transfusions, as considered necessary by the medical authorities present. I give consent to Southbourne School of English to act on my behalf in such circumstances.

Supervision

I consent to my child having no supervision at break time, lunchtimes, in the evening, at weekends and on weekend trips.

I understand that the curfew time for my child is 11pm (23:00 hrs) and he/she will abide by this.
