

Junior Summer Residential (with homestay option)

Bournemouth Collegiate School (Summer Centre)

7th July - 4th August 2019

Age Range 9-16 for both individuals and groups

Paul Gallina
Managing Director

Bournemouth Collegiate School has a long history, and was originally founded in 1899. In 1923 it moved to its present location, taking over Wentworth Lodge, the former home of Lord Portman. Bournemouth Collegiate School is a private British boarding school and is used as our summer residential school.

We provide ourselves on offering first class quality education in a warm and caring environment. We are accredited by the British Council, a member of Quality English, English UK and English UK South.

Location

The school is located in safe and beautiful residential area of Bournemouth, just a 2-minute walk from the award winning Southbourne beach and a 10-minute walk to the local high street and shops.

London, Oxford, Bath and Brighton are less than 2 hours away and we are surrounded by world famous landmarks including Stonehenge, Winchester, the Jurassic Coast (World Heritage Site) and the New Forest National Park, all of which are within one hour of the school.

Accommodation

Rooms vary from single to small dormitories. Showers and bathrooms are on every floor and a weekly laundry service is offered. Homestay accommodation is also available with local host families, on a dinner, bed and breakfast basis, with hot/cold lunch at the residential centre (BCS).

Meals

Residential students enjoy freshly prepared hot and cold food three times a day in our recently refurbished school cafeteria. The menu changes each week, with plenty of variety to keep students happy and healthy. Special diets can be catered for with prior notice.

Students who choose to study at the residential school but with homestay accommodation are provided breakfast and dinner by host family, hot/cold lunches are provided in the school cafeteria.

Facilities

The school offers a wide range of excellent facilities including: tennis courts; an all weather astro pitch; a 25m indoor heated swimming pool; a large sports field for football, volleyball, hockey, etc. In addition to this, the beach is right on the school's doorstep, which we frequently visit for various beach activities. All classrooms are bright with smartboards, modern furniture and the school also has Wi-Fi.

Activities and Excursions

Our social programme is fun and varied with afternoon and evening activities. We offer something for everyone, including a FIFA Football and Lawn Tennis Association Coach. Arts & Crafts, beach activities, swimming, Astro-Turf football, basketball and cultural visits. Students have one full day and half day excursion every week, giving them a chance to enjoy London, Bath, Oxford and local towns and cities supervised by our enthusiastic and caring activity staff.

Programme includes:

- 15 hours of tuition per week, including textbooks
- Certificate with level assessed according to CEF (Common European Framework)
- Trinity Examinations available. £80.00 per person
- Full day and evening activity programme
- 1 full day excursion every week
- 1 half day excursion every week
- Accommodation
- Freshly prepared breakfast, lunch and dinner
- Weekly laundry service
